

COVID-19 SAFETY

The health and safety of our passengers and staff is always our top priority and we want you to have peace of mind and complete confidence when travelling with us. So, in line with Government regulations, we have additional measures and procedures in place, both on and off the vehicles, to make sure you feel safe and comfortable throughout your journey.

- Enhanced cleaning practices are in place. This includes disinfection of all high contact areas with antiviral cleaning products and fogging systems. Our coaches are cleaned both at the beginning of and during the day.
- When boarding your driver will confirm your seat number(s) – this may differ from the one(s) originally allocated to you.
- Hand sanitizer dispensers are present on our coaches – please ensure you make use of them when boarding the vehicle.
- Whilst Government regulations require it, all passengers must wear a face covering whilst on board (unless medically exempt).
- When waiting to board the coach and after disembarking please maintain social distancing.
